## Legislative Update - May 19, 2020

**May 19, 2020**

# Missouri General Assembly TAFP Professional Registration Legislation

On Tuesday, May 12, Rep. Derek Grier's (R-Chesterfield) professional registration legislation—CCS SS HCS HB 2046—was truly agreed to and finally passed (TAFP). If signed into law, individuals in certain professions currently excluded from receiving license reciprocity in Missouri will have this restriction removed. In addition, while current statute only allows Missouri residents to apply for a license by reciprocity, this legislation would allow any person to apply if they received a license for at least one year in another state, territory, or the District of Columbia.

Included in the final legislation is language from Rep. Grier's HB 1688—the Expanded Workforce Act. As introduced and incorporated into the TAFP measure, HB 1688 would require licensing authorities to grant licenses to applicants who: (1) successfully complete eighth grade, (2) complete an apprenticeship, and (3) pass an examination, if applicable; the intent of this legislation is to revamp occupational licensing to allow apprenticeship completion to count towards sitting for an occupational exam.
